You think you know who to trust? You think you know the difference between good and evil? Youâ€™re wrong...

The body of the head teacher of an exclusive Devon school is found hanging from the rafters in the assembly hall.

Hours earlier heâ€™d received a package, and only he could understand the silent message it conveyed. It meant the end.

As Exeter suffers a rising count of gruesome deaths, troubled DS Imogen Grey and DS Adrian Miles must solve the case and make their city safe again.

But as theyâ€™re drawn into a network of corruption, lies and exploitation, every step brings them closer to grim secrets hidden at the heart of their community.

And once they learn whatâ€™s motivating this killer, will they truly want to stop him?

SMART. GRIPPING. GRUESOME.

This is a psychological crime thriller in a class of its own.

WARNING: Most definitely not for the faint-hearted!
