Gulliver's Travels (2010) - IMDb Gulliver's Travels is fun, a fantasy, not taking itself seriously light comedy. You won't learn anything, you won't cry, you won't witness historic cinema in the making. You will spend an hour and a half watching an enjoyable family film that doesn't pretend to be anything more than a fun adaptation of an age old tale by Jonathan Swift. Book Summary - CliffsNotes Gulliver's Travels is an adventure story (in reality, a misadventure story) involving several voyages of Lemuel Gulliver, a ship's surgeon, who, because of a series of mishaps en route to recognized ports, ends up, instead, on several unknown islands living with people and animals of unusual sizes.
